

Bruce Barker- Treasurer, Chair of Merchant Discount, Landscape Committee, Chair of Directory and Budget Committees

brucegbarker@yahoo.com

My wife and I moved to Las Cruces and Picacho Hills in June 2023. We are currently renting while we are building our house in the Picacho Mountain subdivision.

I retired after working in the IT business for about 20 years with IBM and Lockheed Martin. I worked in the Software and Systems Design / Architecture fields. After retiring from IBM, I spent 10 years as a university professor who traveled around the US and the world teaching graduate engineering courses.

I appreciate that the Picacho Hills Property Owners Association provides landscaping, fundraising projects, social activities, and general clean-up activities supporting all of the neighborhoods in Picacho Hills.
