3. Covenant for Maintenance Assessments. The Declarant, for each Lot that it owns within the Subdivision, hereby covenants, and each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Barcelona Ridge Estates Neighborhood Council annual assessments or charges. The assessments levied by the Council upon the Lots shall be used exclusively for the purpose of maintaining and repairing the Drainage Easements, the Entry Signage Easement, and the Right-of-Way of Barcelona Ridge Road

4. Annual Assessments. Each Lot shall, as provided hereinafter and in the By-Laws of the Council, be subject to an annual assessment of a minimum of \$75.00 and a maximum of \$125.00. The Board of Directors of the Barcelona Ridge Estates Neighborhood Council shall fix the annual assessment within said range as it deems necessary at its discretion. From and after January 1, 2004, the minimum or maximum annual assessment may be decreased or increased by up to twenty-five percent annually by the assent of two-thirds of the voting Members who are voting in person or by proxy at a Council Meeting.

5. Shortage of Funds. As provided in paragraph 10.a of the by-laws of the council, the board of directors may provide for an additional assessment to cover a shortage of funds to meet operating expenses.

ARTICLE IV

DESIGN CONTROL

1. Design Guidelines. Design Controls for the Barcelona Ridge Estates Subdivision are appended to, and are a part of, these Covenants, and the Design Controls shall be followed by all Owners of property within the Subdivision. In order to achieve a harmony of design within the Subdivision so that the reasonable expectations of Owners regarding improvement and beautification of all property can be fulfilled for the benefit of all Owners, the design of all new houses, walls, fences, and primary landscaping within the Subdivision shall be performed by, or in consultation with and approval of, Trademark Builders (or an affiliate, successor, or assign thereof), an affiliate of the Declarant, and such design shall be in accordance with the Design Controls for the Subdivision. The design of any alteration or addition to an existing house, wall, fence, or landscaping within the Subdivision shall be submitted to and approved by the Design Control Committee prior to commencement of

construction of any alterations or additions, and the Committee shall follow the Design Controls in its reviewing process.

2. Appointment Duties. The Declarant shall appoint three persons to serve as the Design Control Committee for the Subdivision. The Design Control Committee shall have the duty and the power by the exercise of its best judgment to see that any proposed alteration or addition to any house, wall, fence, or landscaping on any Lot conforms to and harmonizes with the design theme of existing structures and landscaping within the Subdivision and abides by the Design Controls. At any time after the Inaugural Council Meeting, the Declarant may, at its sole discretion, transfer to the Barcelona Ridge Estates Neighborhood Council the responsibility to appoint the persons to serve as the Design Control Committee. Furthermore, if at any time the Declarant fails to appoint the persons to serve as the Design Control Committee, the Barcelona Ridge Estates Neighborhood Council shall, upon one week's written notice to the Declarant, assume the authority to appoint the persons to serve as the Design Control Committee.

3. Approval of Plans for Alterations or Additions. No alterations or additions of any kind, including but not limited to houses, sheds, outbuildings, swimming pools, tennis courts, parking areas, fences, walls, garages, storage structures for any vehicle or boat, carports, driveways, antennae, flagpoles, curbs, and walks, shall be constructed or installed upon any lands within the Barcelona Ridge Estates Subdivision, nor may any native vegetation be altered or destroyed nor any landscaping performed on any Lot, unless two complete sets of plans for such construction or landscaping are approved in writing by the Design Control Committee prior to the commencement of such work. In the event that the Design Control Committee fails to take any action within thirty days after complete plans for such work have been submitted to it and a signed receipt issued, then all of such submitted plans shall be deemed to be approved. All submissions, approvals, and/or disapprovals shall be submitted in writing, shall be dated, and shall be signed for as proof of receipt. In the event that the Design Control Committee disapproves any plans, the Committee is required to

state the reason(s) for disapproval. Upon resubmittal of plans, the Committee must respond within fifteen days.

Application to Doña Ana County for a Building Permit shall not be made prior to approval of plans by the Design Control Committee. The Design Control Committee shall disapprove any plans submitted to it that are not sufficient for it to exercise the judgment required of it by these Covenants.

4. Design Control Committee Not Liable. The Design Control Committee shall not be liable for damages to any person(s) or company submitting any plans for approval, or to any Owner(s) of land within the Barcelona Ridge Estates Subdivision, by reason of any action, failure to act, approval, disapproval, or failure to approve or disapprove, with regard to such plans. Any person(s) or company acquiring title to any property in the Barcelona Ridge Estates Subdivision, or any person(s) or company submitting plans to the Design Control Committee for approval, by so doing, does agree and covenant that he/she/they/it will not bring any action or suit to recover damages against the Design Control Committee, its members as individuals, or its advisors, employees, or agents.

5. Written Record. Trademark Builders and the Design Control Committee shall keep and safeguard for at least four years complete permanent written records of all applications for approval (including one set of all plans so submitted) and of all actions of approval or disapproval and all other actions taken by it under the provisions of this instrument.

If said charge is not paid within thirty days, the design control committee has the authority to file and foreclose a lien against any lot the owner of which has failed to pay such charge.

This area shall be maintained as if it were a part of the Owner's Lot, except that no walls, fences, boulders, signs, or large trees or shrubs shall be permitted within it. Upon failure of the Owner to maintain this area, the Board of Directors of the Barcelona Ridge Estates Neighborhood Council may, at its discretion, after giving the Owner thirty days written notice, have the area maintained. The cost of this maintenance may be charged to the Lot Owner as a special assessment against the property by the Barcelona Ridge Estates Neighborhood Council.

10. Sidewalks. There shall be no sidewalks directly behind and paralleling any curb in the Barcelona Ridge Estates Subdivision.

The Declarant hereby reserves to itself and to other applicable parties and its successors in interest perpetual easements as recorded on the final plat of the Barcelona Ridge Estates Subdivision, for the Drainage Easements and the Entry Signage Easement, as well as constructing, maintaining, operating, replacing, enlarging, and repairing electric, telephone, water, irrigation, sewer, gas, and similar lines, pipes, wires, poles, ditches, and conduits. The Declarant may convey or grant by license, lease, deed, lien, deed of trust, mortgage, or otherwise any right, title, or interest in or to any and all easements and reservations contained within documents of conveyance, these Covenants, or the plat of the Barcelona Ridge Estates Subdivision to public utilities and governmental entities as may be reasonably necessary to effect the developmental and residential intentions as set forth in the plat and these Covenants.

ARTICLE VIII
GENERAL PROVISIONS

1. Covenants to Run. All of the Covenants contained in this instrument shall be a burden on the title to all of the lands in the Barcelona Ridge Estates Subdivision, and the benefits thereof shall inure to all Lot Owners in the Barcelona Ridge Estates Subdivision, and the benefits and burdens of all said Covenants shall run with the title to all of the lands in the Barcelona Ridge Estates Subdivision.
